

Drug use and living conditions of unaccompanied minors

*In a glimpse, OFDT, 1 p.
October 2022*

This note first reviews the process of administrative recognition of the status of unaccompanied minors and the socio-demographic characterisation of this population. It then discusses the drug uses of unaccompanied minors (recognised or perceived as such) observed since 2016 by the network of eight sites in the OFDT's Emerging Trends and New Drugs (TREND) observation scheme.
